HEALTH POLICY

The management of FHCC is introducing illness notification policy which requires Parents to keep their children at home in different health conditions:

- ❖ Children with the following kinds of illnesses: Vomiting, temperature above 38°C, diarrhea, ear ache, severe headache or stiffness in the neck.
- ❖ Children afflicted with lice, chicken pox, mumps, measles, meningitis, impetigo (skin infections) and pneumonia should stay at home to avoid spreading the infections to other children.
- ❖ If your child has any of the above symptoms or illnesses, you are required to notify FHCC as soon as possible.
- ❖ The child won't be allowed to return to attend the program until he/she is certified symptom-free by a medical practitioner for 24 hours.
